

SCHOLARSHIP: Non-Parishoner Scholarship

The St. Mary Non-Parishoner Scholarship was created in 2019 through anonymous donations. We at St. Mary value our Non-Parishoner families very much and felt it important to offer an opportunity for financial assistance to those families. The St. Mary School Foundation manages the scholarship and will provide assistance for one year to a family whose child attends St. Mary Catholic School. Tuition awards are paid directly St. Mary Catholic School on the recipient's behalf.

In order to apply for the Non-Parishoner Scholarship, the family must complete two requirements by the first Friday in May.

- 1) Complete, file and return the school registration and financial aid application to the St. Mary Finance Committee by the first Friday in May.
- 2) Complete the application below and return it to:
